

ACADEMIC HONESTY

Rules were given for exercises were given and mentioned in exercises:

http://www2.it.lut.fi/wiki/doku.php/courses/ct30a5000/generic_instructions_and_requirements

They state:

INDIVIDUAL WORK – NO COPYING – NO GROUPWORK (discuss but do not share code)

Mark used references

If you want to comment some aspects of your work (exercise works or home exam) which you are not sure that they fit to previous statements, please comment them here (or back side).

By signing following table I declare that I have done all the work independently according academic and course rules:

Task name	Signature	Notes
UDP chat		
Multicast chat		
TCP chat		
HTTP client		
TFTP server		
TFTP client etc.		
Take home exam		

_____ Date _____ Name Student number

Return this statement to the assistant (e.g. at the same time with the *take home exam* presentation).
